Subject: I think there should be something do about it.The TEC.sector is to one-sided.Microsoft tells me what

I think there should be something do about it.The TEC.sector is to one-sided.Microsoft tells me what I see. And tells oems what they are aloud to sell with their computers. Microsoft is going to get bigger and bigger.They have complete control over the computers.And it scars me it might be the USA.

Thanks Gary Nader
